Dear Mr. Kohler:

Except for purely theatrical business (he never had
an agent. ~~But~~ (70 plays it's Brandt - Brandt N.Y.) And
in England it's merely Longman Green, my publishers
and they carry on nothing like an agent's service. The
best thing to do would be to submit the material to
say. The London Mercury, and see whether they'd like
it.

Anyway. again,

all best wishes.

Sincerely yours

Renton Wilder
